This position will involve being out in the field, which includes rural and suburban properties, as part of a small team with the main responsibility being the installation of high-voltage and fibre cables. Driving a small truck will be required, so the ability to operate a manual vehicle is crucial. All the work you perform will be done while promoting and practising positive health and safety.

- Hold a current Class 1 & 2 driver's licence (or willing to obtain Class 2 ASAP)
- At least 6 months experience in the Civil Industry
- Previous experience operating mechanical equipment
- Capable of demanding physical work
- Be a team player with good communication skills
- Class 3,4 & 5 licences / WTR F endorsements viewed favourably, although not essential

On Offer:

We offer competitive remuneration, an active Social Club with activities throughout the year, discounted gym/fitness centre memberships, an expansive break room, a 9-day fortnight and on-site staff parking. You'll get to work with like-minded people who are passionate about keeping the lights and internet on throughout the Ashburton District. Being a part of the Ashburton District means you're a part of a strong supportive community with a great semi-rural lifestyle. With a variety of local dining services, and excellent skiing, hunting, tramping and fishing spots nearby, you'll be spoiled for choice. As it's only a 60-minute drive from Christchurch Airport, it doesn't take long to experience city life.
